**V1** In my eyes, indisposed, In disguise as no one knows  
Hides the face, lies the snake, In the sun, in my disgrace  
Boiling heat, summer stench, 'Neath the black the sky looks dead  
Call my name through the dream, And I'll hear you scream again

**Ch1** Black hole sun, Won't you come  
And wash away the rain  
Black hole sun, Won't you come, Won't you come, Won't you come

**V2** Stuttering, cold and damp, Steal the warm wind tired friend  
Times are gone for honest men, And sometimes far too long for snakes  
In my shoes, walking sleep, And my youth I pray to keep  
Heaven send hell away, No one sings like you anymore

**Ch2** Black hole sun, Won't you come  
And wash away the rain  
Black hole sun, Won't you come, Won't you come,  
Black hole sun, Won't you come  
And wash away the rain  
Black hole sun, Won't you come,  
Won't you come, Black hole sun, Black hole sun, X 4
