

# Rockin In The Free World Neil Young

**Intro** Em D C X 4

**V1 Luke** Colours on the street, Red white and blue  
People shufflin' their feet, People sleepin' in their shoes  
But there's a wamin' sign on the road ahead  
There's a lot of people sayin' we'd be better off dead  
Don't feel like Satan but I am to them, so I try to forget it anyway I can

**V3 Arlan** Em D C Em D C  
I see a girl in the night, With a baby in her hand  
Under an old street light, Near a garbage can  
Now she puts the kid away and she's gone to get a hit  
She hates her life and what she's done to it  
That's one more kid that will never go to school, Never get to fall in love never get to be cool

**V5 Erik** Em D C Em D C  
We got a thousand points of light, For the homeless man  
We got a kinder gentler machine gun hand  
We got department stores and toilet paper, Got styrophone boxes for the ozone layer  
Got a man of the people says keep hope alive, Got fuel to burn got roads to drive
