E Mrshll

Intro Em D C X 4

V1Erik Colours on the street, Red white and blue
People shufflin' their feet, People sleepin' in their shoes
There's a warnin' sign on the road ahead
A lot of people sayin' we'd be better off dead
Don't feel like Satan but I am to them, so I try to forget it anyway I can

V3Luke I see a girl in the night, With a baby in her hand
Under an old street light, Near a garbage can
Now she puts the kid away and she's gone to get a hit
She hates her life and what she's done to it
That's one more kid that will never go to school, Never get to fall in love never get to be cool

We got a kinder gentler machine gun hand
