V1 Love I get so lost sometimes
Days pass and this emptiness fills my heart
When I want to run away I drive off in my car
But whichever way I go I come back to the place where you are

A G
B1 All my instincts, they return
And the grand facade, so soon will burn
Without a noise, without my pride
I reach out from the inside

Ch1 (In your eyes) The light, the heat (your eyes)
I am complete (your eyes), I see the doorway (your eyes)
To a thousand churches (your eyes), the resolution (your eyes)
To all the fruitless searches (your eyes), (your eyes)
Oh, I see the light and the heat (your eyes)
(the light the heat your eyes) I wanna be that complete
(in your eyes the light the heat your eyes)
I wanna touch the light, the heat I see in your eyes

V2 Love, I don't like to see so much pain
So much wasted and this moment keeps slipping away
I get so tired of working so hard for our survival
I look to the time with you to keep me awake and alive
