**Intro** **Luke** D X 2 **Erik** D X 2 **Arlan** D X 2

G Gmaj7 G6 G

**V1** Spent my days with a woman unkind

G Gmaj7 G6 G D

Smoked my stuff and drank all my wine

Made up my mind make a new start

Goin' California with an achin in my heart

Someone told me there's a girl out there,

With love in her eyes and flowers in her hair

F G D X 2 D

**V2** Took my chances on a big jet plane,

Never let them tell you that they're all the same

Oh, sea was red and the sky was grey,

Wondered how tomorrow could ever follow today

Mountains and the canyons

start to tremble and shake,

Children of the sun begin

to awake

Dm

**B1** Seems that the wrath of the gods  
got a punch on the nose,  
and it started to flow

A7/

I think I might be sinkin'

Dm

Throw me a line  
if I reach you in time,  
meet you up there where the path runs straight

A7

and high.

G Gmaj7 G6 G

**V3** To find a queen without a king,

G Gmaj7 G6 G D

They say she plays guitar and cries and sings

Lalalala

Ride a white a mare in the footsteps of dawn,

Tryin' to find a woman

who's never never been born

Standin on a hill in the mountains of dreams,

Tellin myself it's not as hard hard hard as it seems
