

# Good Riddance (Time of Your Life) Green Day **Harm G**

G C D X 2

**V1** Another turning point, a fork stuck in the road  
Time takes you by the wrist, directs you where to go  
So make the best of this test and don't ask why  
Its not a question but a lesson learned in time  
Its something unpredictable, but in the end its right  
I hope you had the time of your life

**Ch1** So take the photographs and still frames in your mind  
**Hang it up** on a shelf in good health and good time  
Oooh  
Tattoos and memories and dead skin on trial  
For what its worth, it was worth all the while  
**B1** Its something unpredictable, but in the end its right  
I hope you had the time of your life

**B2** Its something unpredictable, but in the end its right  
I hope you had the time of your life
