

In My Life Hrmnca A

Intro A E X 2

V1 **There are places I'll remember**

All my life though some have changed

Some forever not for better

Some have gone and some remain

Ch1 **All these places have their moments**

With lovers and friends I still can recall

Some are dead and some are living

In my life I've loved them all

A E X 2

V3 **But of all these friends and lovers**

Oooh There is no one compares with you

And these memories lose their meaning

Oooh When I think of love as something new

Ch2 **Though I know I'll never lose affection**

For people and things that went before

I know I'll often stop and think about them

In my life I love you more
