**V1** <sup>D</sup>Me and all <sup>Bm</sup>my friends, <sup>G</sup>We're all <sup>D</sup>misunderstood

**V2** <sup>D</sup>Now we see everything that's going <sup>Bm</sup>wrong  
<sup>G</sup>With the world and those who lead it  
<sup>A</sup>We just feel like we don't have the <sup>Bm</sup>means  
<sup>G</sup>To rise above and <sup>D</sup>beat it

**Ch1** <sup>D</sup>So we keep waiting, **(Waitin)** <sup>Bm</sup>Waiting on the world to change  
<sup>D</sup>We keep on waiting, **(Waitin)** <sup>Bm</sup>Waiting on the world to change  
<sup>D</sup>It's hard to beat the system, <sup>Em</sup>When we're standing at a distance  
**2** <sup>D</sup>It's not that we don't care, <sup>Bm</sup>We just know that the fight ain't fair  
**3** <sup>D</sup>One day our generation, <sup>Bm</sup>Is gonna rule the population  
<sup>D</sup>So we keep waiting **(Waitin)** <sup>Bm</sup>Waiting on the world to change

**V3** <sup>D</sup>Now if we had the <sup>Bm</sup>power  
<sup>G</sup>To bring our neighbors home from <sup>D</sup>war  
<sup>A</sup>They would have never missed a <sup>Bm</sup>Christmas  
<sup>G</sup>No more ribbons on their <sup>D</sup>door  
<sup>D</sup>And when you trust your television <sup>Bm</sup>What you get is what you <sup>D</sup>got  
<sup>A</sup>Cause when they own the information, oh <sup>Bm</sup>They can bend it all they <sup>D</sup>want
