1.2 1.3

Intro E7 X 4

V1 Well she was just seventeen and you know what I mean
And the way she looked was way beyond compare
So how could I dance with another
Oh, when I saw her standing there

V2 Well she looked at me and I, I could see
That before too long I'd fall in love with her
She wouldn't dance with another
Oh, when I saw her standing there

Ch1 Well my heart went boom when I crossed that room
and I held her hand in mine

V3 Well we danced through the night
and we held each other tight
And before too long I fell in love with her
Now I'll never dance with another
Oh, when I saw her standing there

Lead Guitar = 1 Verse

V4 Well we danced through the night
and we held each other tight
And before too long I fell in love with her
Now I'll never dance with another
