She wanna sell my monkey but that won't do

It used to be hers but she gave him to me

Why she wanna sell him I just can't see

She wanna sell my monkey

She wanna sell my monkey

She wanna sell my monkey but that won't do

I got to stay home both day and night

Can't trust that girl out of my sight

She wanna sell my monkey

She wanna sell my monkey

She wanna sell my monkey but that won't do
