

Waiting On The World To Change John Mayer **Harm A**

1st Arlan 2nd Time everybody A F#m D A E F#m D A X 2

V1 Me and all my friends, We're all misunderstood
They say we stand for nothing and There's no way we ever could

V2 Now we see everything that's going wrong
With the world and those who lead it
We just feel like we don't have the means
To rise above and beat it

Ch1 So we keep waiting, (Waitin) Waiting on the world to change
We keep on waiting, (Waitin) Waiting on the world to change
It's hard to beat the system, When we're standing at a distance
2 It's not that we don't care, We just know that the fight ain't fair
3 One day our generation, Is gonna rule the population
So we keep waiting (Waitin) Waiting on the world to change

V3 Now if we had the power
To bring our neighbors home from war
They would have never missed a Christmas
No more ribbons on their door
And when you trust your television What you get is what you got
Cause when they own the information, oh They can bend it all they want
