A Bm  
V1 Once upon a time you dressed so fine  
C#m D E  
You threw the bums a dime in your prime, didn't you?  
A Bm C#m  
People'd call, say, "Beware doll, you're bound to fall"  
D E  
You thought they were all a kiddin' you.  
D E D E  
You used to laugh about, Everybody that was hangin' out  
D C#m Bm A D C#m Bm A  
Now you don't talk so loud, Now you don't seem so proud  
D E  
About having to be scrounging your next meal.

A D E  
Ch1 How does it feel X 2  
A D E A D E A D E A D E/  
To be without a home, Like a complete unknown, Like a rolling stone  
To be on your own, With no direction home,  
Like a complete unknown, Like a rolling stone

A Bm C#m  
V2 Aww, You've gone to the finest school all right, Miss Lonely  
D E  
But you know you only used to get juiced in it.  
A Bm C#m  
Nobody has ever taught you how to live out on the street  
D E  
And now you're gonna have to get used to it.  
D E  
You said you'd never compromise,  
D E  
With the mystery tramp, but now you realize  
D C#m Bm A D C#m Bm A  
He's not selling any alibis, As you stare into the vacuum of his eyes  
D E  
And say do you want to make a deal?

Ch2

**V3**Aww, You never turned around to see the frowns

On the jugglers and the clowns when they all did tricks for you.

Never understood that it ain't no good you shouldn't

let other people get your kicks for you.

You used to ride on the chrome horse with your diplomat,

Who carried on his shoulder a Siamese cat

Ain't it hard when you discover that, He really wasn't where it's at

After he took from you everything he could steal.

### Ch3

**V4**Aww, Princess on the steeple and all the pretty people

They're all drinkin', thinkin' that they got it made.

Exchanging all precious gifts

but you'd better take your diamond ring, you'd better pawn it babe.

You used to be so amused, At Napoleon in rags

and the language that he used

Go to him now, he calls you, you can't refuse,

When you got nothing, you got nothing to lose

You're invisible now, you got no secrets to conceal.
